**STUDENT FEED BACK ANALYSIS**

After analyzing the student feedback report for the academic year 2019-2020, by the academic affairs committee. It has been observed that the following points needs to be resolved.

1. The syllabus was not covered 100% in the class.
2. Students shall be allowed to ask the questions in the class and encourage them for asking the questions.
3. Lesser number of education tours and subject tours to different historical sites, cultural heritage sites etc. in order to seek more knowledge and information about their subject related courses.

**NOTE:**

Action Taken Report has not been initiated due to Covid-19. The College was completely shut down by following the guide lines of Higher Education Department and District Administration. So the Committee decided to redress the above mentioned issues after the Lockdown is over and opening of the college.
